APPENDIX E: Number of Live Births 2008-16

APPENDIX F: Change in Year 7 Pupil Numbers 2000-2028

Data from 2000 to 2017 is the actual number of year 7 pupils recorded in the October School Census (or equivalent headcount).
 The data includes the secondary school provision in each of the three towns. It includes data for schools which have since closed and those that have been renamed.
 Data from 2018 - 2028 is forecast data.
 The X-axis refers to the year of the head count: 2017 therefore relates to the Oct 2017 Census.
