Welcome to the 2011 bus timetable leaflet produced by Somerset County Council. These leaflets have been designed to save resources whilst ensuring you have the most up to date bus timetables available.

Somerset County Council also produces a Rail & Coach Guide covering the whole of the County, and various guides to buses serving establishments such as College and Hospitals.

SLINKY & Community Transport

For residents who do not have access to Public Transport there are various Community Transport schemes, SLINKY services and Car Schemes available. For details and a leaflet showing what operates in your area please contact Somerset Direct on 0845 345 9155 or see www.somerset.gov.uk/slinky.

These guides are all available to download at www.somerset.gov.uk or can be requested by ringing 0845 345 9155 or e-mailing transport@somerset.gov.uk

Bus & Rail timetables and route information are also available from Traveline.

BT callers charged 10p per min plus 6p set-up fee per call.
Mobile and other providers' charges vary.

Every care is taken to make sure that the timetables are accurate. However Somerset County Council cannot accept responsibility for any inaccuracies or omissions, but we would be grateful to be advised of any errors. If you are not a regular user of a particular service it is advisable to check timetable details with the operator before travelling.
