What is N6 Nippylink?

N6 Nippylink is a flexible demand responsive bus service which links Martock, Ilminster and South Petherton Hospital with the rural Parishes and communities detailed on the shaded area of the service map. The bus also links seamlessly with Service N9 Martock to Yeovil and Service N10 Martock to Taunton via Ilminster.

How does the service operate?

Passengers wishing to travel from any point within the shaded geographical area of the service map to either Ilminster, Martock or South Petherton Hospital or simply phone the booking line on 01935 823888 to make their travel arrangements.

What if I miss my connection?

This cannot happen. Our buses are equipped with bus to bus digital radio communications to guarantee seamless connections that take place only when both vehicles are present at the transfer point.

So how do I book to use N6 Nippylink?

Telephone the booking line on 01935 823888. Bookings can be made in advance up to one hour before the time of travel. Lines are open 08:30 - 17:00 Mon - Sat.

I still have unanswered questions regarding N6 Nippylink

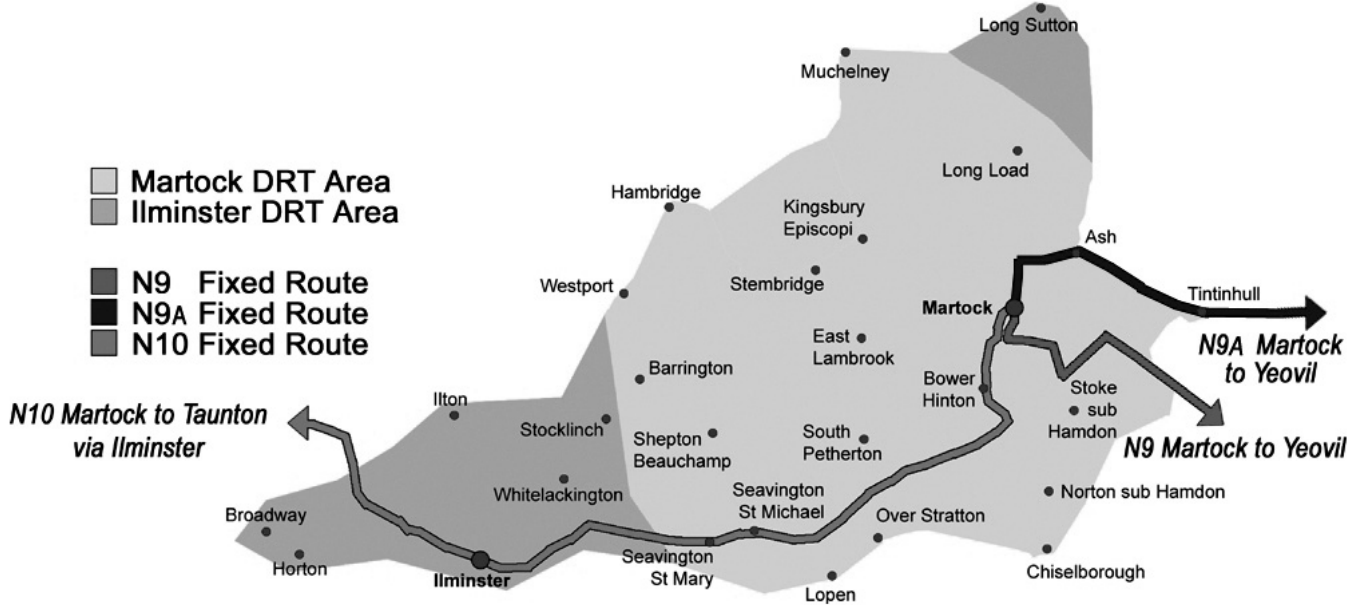

Please phone us on 01935 823888 or speak to any Nippy Bus driver. We are here to assist in anyway possible.

Example: Travelling from Ilton To Ilminster

Mr Smith wishes to travel from Ilton to Ilminster. He phones the booking line on 01935 823888 and arranges a pickup time. He then waits at the agreed location and hails the Nippylink bus. Once all passengers have been collected for the run the Nippylink bus then travels onto Ilminster. For the return journey he waits in Ilminster square and catches the bus at the departure time of 1504. Alternatively he could also follow the same procedure to travel to and from Taunton.

Example: Travelling from Kingsbury Episcopi to Taunton via Martock

Mrs White wishes to travel from Kingsbury Episcopi in to Taunton. She phones the booking line on 01935 823888, and books her journey. The Nippylink bus then collects her at the agreed pickup point at the arranged time and travels on into Martock to transfer on to the N10 service. Returning on the N10 she tells the driver she wishes to return to Kingsbury and transfers back to the N6 upon arrival in Martock to go back to Kingsbury Episcopi. If she wished to she could use this same method to travel into Ilminster by exiting the vehicle as it travels through or to go in to Yeovil on the N9.
