JOB DESCRIPTION

Liaise with staff within Services where there are discrepancies in information available on the Council's websites. Collate data/feedback to provide to the service areas.

Deal with all contacts in line with the Council's policies and procedures, e.g. Equalities and Diversity, and relevant legislation, e.g. the Data Protection Act or Freedom of Information. All data recorded must be relevant and accurate.

Adhere to the Internal Customer Contact Working Practices.

Will have the additional responsibility of either a subject matter expert for at least one key activity/service area (see 1- 5) or the day-to-day operational lead for the reception points (see 6-13).

Provide colleagues with coaching and support for complex issues or enquiries.

Review any changes to processes, new information or feedback from Services. Train and/or provide instructions to colleagues to ensure best practice and consistent advice and support to customers.

Take the lead in review of website content, collation of feedback and liaison with operations staff within services.

Promote the customer shift to less costly access channels and digital delivery. Identify opportunities or improvements to digital services.

Support colleagues and managers in working with the service area to identify and recognise opportunities for development and improvement.

Provide colleagues with coaching and support for complex issues or enquiries.

Review any changes to processes and train and/or provide instructions to colleagues to ensure consistent advice and support to customers.

Ensure that daily tasks are allocated and managed to appropriately resource the customer service point desk. Communicate the daily priorities to the team.

Monitor workload for Blue Badge administration, ensure all the data is being recorded accurately and all tasks are completed to meet the required deadlines.

Maintain footfall volumes on the system, highlighting trends and peaks in the service to review and develop how the reception is resourced.

Be a point of contact for service areas within customer service point. Work with the Services to ensure day to day processes are working efficiently for both reception and staff, escalate any complex or recurring issues to the Line Manager.

JOB DESCRIPTION

Ensure that any incidents are correctly recorded and escalated appropriately by the team.

Build and maintain relationships with service areas to work together in improving the quality of information provided to customers. Liaise closely with the Line Manager to provide feedback and suggestions for improvement.

The role is entirely communication based, and you will be at ease with customers, quickly build relationships with them and demonstrate excellent customer service in all interactions with customers and professionals.

Although the majority of telephone interactions will be with members of the public, there will be regular contact with internal professionals and professionals in external businesses/agencies, e.g. other local authorities, Highways Agency, Police, Environment Agency, Schools, County Councillors.

On reception most visitors are business visitors for meetings, who must be welcomed to Somerset Council and swiftly signed in. There will also be service users particularly from other services, such as Social Care and Housing planned or unplanned requirements. These can be particularly challenging and require sensitivity and often individual responses to deal appropriately with their problems.

There is close contact with other team members to share knowledge, solutions, and support to ensure continuity of service and consistent standards.

Will interact with people who need to access services for a variety of reasons, many of which are potentially sensitive, e.g. because of social deprivation, recent bereavement or dissatisfaction with a received service. Consequently, they may be exposed to customers who are aggressive, rude or distressed. There is a need to deal with these customers in a tactful, courteous and professional manner, referring to relevant processes to support in an emergency.

Will report to a Team Manager but will also be able to refer particularly complex or contentious issues to a Customer Service Expert. Will exercise judgement and initiative before referring problems.
