Somerset Council

JOB DESCRIPTION

Job Title	Fostering Social Worker			
Directorate	Children & Families			
Reporting to				
Grade	10			
Evaluation ref:	AG0651	Job ref:	Family	

Role purpose

The responsibility of the Children's Services Function is to promote and ensure the safety, well-being and learning of children and young people. Within the service, Children and Young People's Social Care Teams provide services to "Children in Need" including children with disabilities, children subject to Child Protection Plans, Children "Look After" and Care Leavers. These roles operate in close collaboration with multi-agency partnerships

Qualified Social Workers will work in accordance with professional standards (as set by the HCPC or other relevant accredited body) and will provide statutory services for children looked after and placed for adoption.

Qualified Social Workers will provide case responsibility for foster carers, children/adults who have been adopted, and prospective foster carers/adopters

Responsibilities

Make on-going assessments of prospective carers (adopters or foster carers) to reflect individual circumstances including assessment of risk and capability and the need to ensure that children & young people and carers are protected from harm.

Responsible for a caseload of varying complexity, commensurate with experience, ability and qualification, receiving and responding to referrals and requests from various sources, including requests for advice, assessment and support from foster carers and adopters, in liaison with other professionals.

Risk assessment of carers and their households to ensure children and young people are protected. Where required ensure the annual review of carer households and that health and safety checks, safe care policies and DBS checks are updated in line with regulation and service requirements.

Undertake statutory and best practice reviews and ensure compliance with relevant legislation, policy and procedures.

Promote children and young people's equality, diversity and rights by applying, maintaining and evaluating structures in an anti-discriminatory way. Identify and deliver evidence-based interventions in response to risk and safeguarding concerns. Escalate risk and safeguarding concerns immediately where appropriate.

Somerset Council

JOB DESCRIPTION

Supervision of carers to ensure children are safe and achieve their potential.

Prepare and present reports as necessary to facilitate decision making about carers and children & young people and to provide effective quality assurance.

Provide information, written assessments, statements, reports verbally and in writing in order to complete assessments and statutory reviews of prospective carers, care planning meeting, formal Panels and reviews of Children Looked After.

Maintain file records and supervision records relating to carers to a high standard in accordance with relevant legislation, policy and procedures.

Contribute to ensuring the effective operation of holistic Quality Assurance processes alongside the Children Looked After service. Provide accurate and timely information to enable the quality of the service to be assessed.

Provide a needs-led service, working with a range of providers and with the independent and voluntary sectors to meet requirements.

Contribute to the development of Fostering, Adoption and Children Looked After services and develop effective workplace links with the independent and voluntary sectors to ensure that children live in the most appropriate place for their needs.

Contribute to the development of recruitment, training and assessments activities for prospective carers. Undertake assessments of prospective carers and make presentations to formal Panels as required.

Support post approval training and support carers to complete progression standard activities where required and with other aspects of development as a carer.

Assess and provide appropriate support to children who have been adopted.

Establish and maintain appropriate networks and professional relationships with children & young people, their families/carers and other professionals to deliver services through effective partnership working to Carers and Children Looked After.

Contribute to multi-agency partnership working and participate in multi-agency meetings. Act as a lead worker as required engaging with other professionals on specific areas of expertise or new ways of working, eg therapeutic foster care project.

Engage with fieldwork colleagues, other professional and carers to identify placements for children and young people both on a planned and, where necessary, emergency basis.

Participate in a duty system to identify placements and support placement stability.

JOB DESCRIPTION

Work in partnership to enable children & young peoples' carers and families to promote their health, financial, emotional and social well-being.

Build upon existing knowledge and practice with research and training to develop individual skills and new approaches for improvement in service provision.

Develop one's own knowledge and practice and contribute to the development of policy and practice.

Participate in performance appraisal and consultations with team managers and undertake regular professional development programmes to improve personal knowledge skills and effectiveness.

Contribute to the development of policy and best practice. Where required work with Programme Managers to develop, operate and train others in new ways of working, eg MTFC-C project.

Provide accurate and timely operation of IT systems relating to client information, complying with practice requirements. Participate in the effective operations of quality assurance processes.

Other Elements which you may be expected to undertake:

Available to provide a Duty Response Service within your service area.

Contribute to the design, implementation and evaluation of recruitment campaigns in specialist areas subject to appropriate training.

Impact

Contacts & Relationships
